-------------------------------------	----

A male mountain biker is captured in a dynamic pose, leaning forward while riding a full-suspension trail bike. He is wearing a black and red cycling jersey with 'RÖR' and 'BTT' visible, black shorts with 'FOX' branding, a white helmet, and purple-tinted sunglasses. The bike has a yellow number plate with the number '35'. In the background, another rider in a blue jersey is partially visible. The setting is a grassy hillside with trees and a clear blue sky with scattered white clouds. A tall black lamppost stands on the right side of the frame.
